### Notice of Plan Development

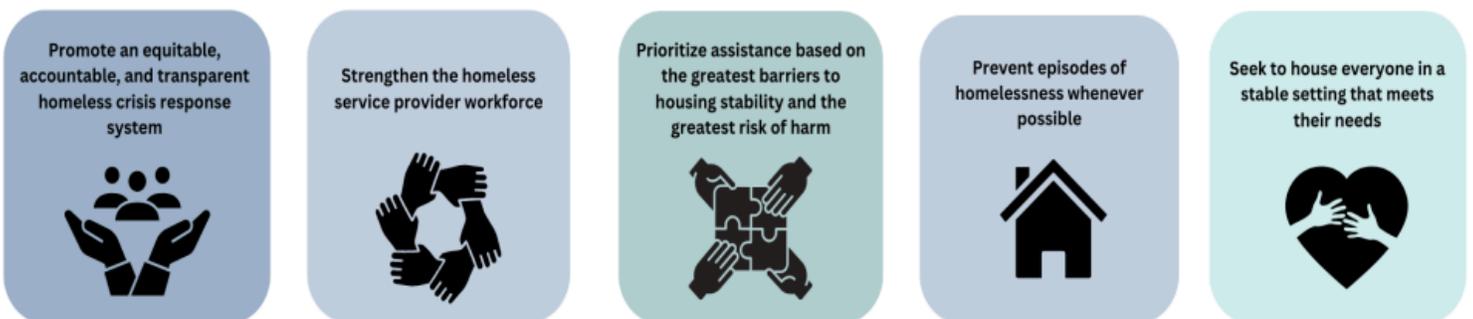

*Pacific County Health and Human Services is leading the development of Pacific County's Local Homeless Housing Plan for 2025-2030.*

Washington State Department of Commerce (Commerce) requires local jurisdictions to submit a local homeless housing plan every five years. Commerce provides guidelines with requirements and objectives for local jurisdictions to follow. The local plans come together at Commerce in the State Strategic Plan and Annual Report to the Legislature on Washington's efforts to address homelessness. The local plans serve as a five-year roadmap identifying state and county activities and goals, while the report highlights accomplishments and course adjustments.

Pacific County Health and Human Services (PCHHS) leads the Housing and Behavioral Health Subcommittee in developing the Local Homeless Housing Plan for Pacific County. The stakeholders include representatives from organizations working directly in homeless services, behavioral health, and social services. PCHHS's Housing and Behavioral Health Subcommittee will be soliciting additional attendees of their meetings, including those with lived experience with homelessness. The Housing and Behavioral health Subcommittee's role is to provide guidance and vetting of the development process and the plan.

### Plan Objectives

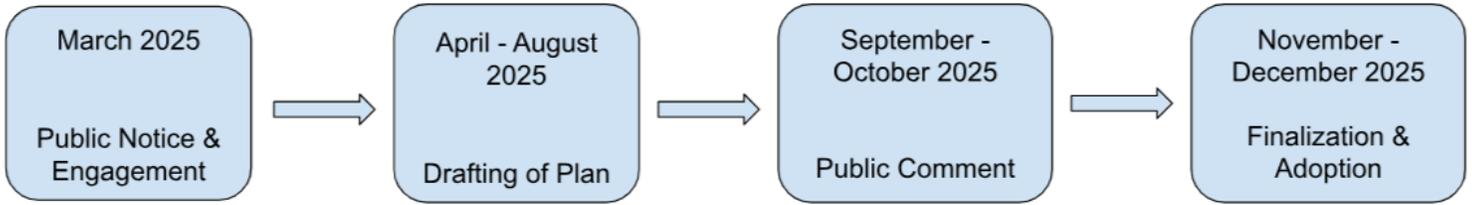

There are five objectives of the plan identified by the Washington State Department of Commerce.

The development of the plan will continue through 2025 and be finalized and adopted by December 2025. A general overview of the anticipated timeline for the plan development is listed below.

Opportunities to engage in the process and updates will be shared during PCHHS’s Housing and Behavioral Health Subcommittee and through targeted outreach. Subcommittee meetings are held every fourth Tuesday of the month at 2pm.
